Cloth of Gold Open Shoot 2 October 2022

The final shoot of the year put on by us at Cloth of Gold started overcast but but quickly became glorious sunshine. Despite the London Marathon and Rail closures causing various traffic problems we had 72 archers get to the woods and take part in a great day of shooting.

The shoot comprised 20 'double pegged' 3D targets with several double targets and hunter and prey type shots and as always our course managed to frustrate, confuse and delight everyone in various measures. Certainly everyone felt tested by the end and all the medal winners worked hard for their awards.

Visitor comments: Interesting and challenging yet fair. The woods looked stunning. All the targets were well placed and looked natural. One of the best well thought out courses this year. Deceptive with plenty to trip you up, from both a physical and mental archery perspective, and great company.

Thanks to all who helped with setting the course, marshalling and catering on the day and to everyone who came and shot round. We'll hope to have you back again for our first shoot of 2023.
