Cloth of Gold Open Shoot 30th April 2023

Our first shoot of the year began with a fully booked course, beautiful sunny day and a safety briefing followed by a walk out to starting pegs with a mass start at 10am for the 93 archers taking part.

Once again our course setters worked overtime planning and setting another challenging shoot. Our woods kept the day interesting with a real mixture of terrain, trees, scrub, large holes and water features to negotiate.

As always there was lots of walking ahead of the participants, and no mercy from our hills and hollows as the day warmed up. Despite our woods being quite small the shoot covered a lot of ground.

Everyone was grateful for the full catering provided and the rest area by the canteen tent was kept busy through the shoot. It was nice to hear the good natured chatting and meeting up of old friends now everyone is able to return to regular shooting and competitions in the New Year.

At the end of the day with the last archers returning to the rest area at about 5pm, our regular raffle took place and we had medal awards for the winners and runners-up of all the classes taking part.

We had uniformly positive comments on the shoot. Everyone felt that it was once again a challenging course, with good use of the ground, some real problems in estimating ranges and target sizes but very enjoyable,

Thanks to all who helped with course setting, marshalling, car parking and running the catering and to everyone who came and shot round on the day.

We'll hope to have you back again for another of our shoots later in the year on 25th June (Bowhunter Challenge) or 1st October (Open Shoot).
